1 OPEN UP YOUR HEART

Lyrics and music : Emmanuelle Samama

And if you fall in love again
Just open up your heart
Forget your sadness and your pain
Just open up your heart

And if you think you found a friend
Just open up your heart
Tell him your sadness and your pain
Just open up your heart

And if you think you can't pretend
Just open up your heart
It's not a crime it's not an end
Open up your heart

And if you find this love again
Just open up your heart
Forget your sadness and your pain
Just open up your heart

2 HOMELESS

Lyrics and music : Emmanuelle Samama

I'm a poor man in the town
I have no shelter and no plan
You threw money in my can
Then you chased me and I ran
I'm a poor man and I try
To keep hope and dignity
I'm a man you let me die
I'm a tough guy but I cry

And I cry, yes I cry
Don't you think, you could try
Try to sit by my side
Try to help, before I die
Under your blue sky

I was once like you are now,
I lost my house I know not how
I lost my wife can I survive
But I fight to stay alive
I can see that you're afraid
To be poor don't be ashamed
You know that life can betray
I'm a tough guy but I pray

And I pray yes I pray
Pray to live one more day
And I pray oh I pray
Will I live one more day
If you run away

3 COMBATTANT

Paroles et musique : Emmanuelle Samama

Champs de ruines et champs de larmes
Tout n'est que bruit que vacarme
Bien que la vie me désarme
Comme d'autres moi j'ai pris les armes
Ici rien ne nous épargne
La peur l'affroi qui me gagnent
Glacant mon sang et mon âme
J'ai beau crier j'ai beau prier

Allons déposer nos armes
Trop de sang et trop de larmes
Ont coulé entre nos mains
Dans mon cœur et dans le tien
Et si la vie nous épargne
Que la douceur nous gagne
Dans les bras de nos compagnes
Nous verserons quelques larmes

J'irai déposer mes armes
Prier pour qu'on me condamne
Car je porte dans mon âme
Le sang versé et les larmes
De ces hommes et de ces femmes
Non pas de paix pour mon âme
Je ne peux me pardonner
J'ai beau prier j'ai beau pleurer

Allons déposer nos armes
Trop de sang et trop de larmes
Ont coulé entre nos mains
Dans mon cœur et dans le tien
Et si la vie nous épargne
Que la douceur nous gagne
Dans les bras de nos compagnes
Nous verserons quelques larmes

4 IF I STAY

Lyrics and music : Emmanuelle Samama

And if I stay
If I lost my way
Now I can't say
I won't run away
One day

There will be a day
I'll go far away
And then come what may
I don't want to play
Don't want to obey
I won't live as they

Even if you pray
Each night and each day
If you ask me to stay
Even if you pray
My love fades away
My love fades away

Today is the day
I'll go far away
And then come what may
I don't want to stay
Don't want to obey
I'll do it my way

You try to make me stay
But I turned away
I turned away
Even if you prayed
Each night and each day
My love fades away

5 LOVE SONG

Paroles et musique : Emmanuelle Samama

Tous ces mauvais jours
Ces voies sans retour
Je les oublierai
Tous les mots d'amour
Le soleil autour
Les ont effacés

Quand tu prends ma main
Pas de lendemain ou de yesterday
Quand tu prends ma main
Là nos deux destins heureux sont scellés

Pas besoin de signer
De se marier
Tout recommencer
Juste, des love song chanter
Les yeux dans les yeux
Always amoureux

Quand je suis avec toi
J'entrevois la joie
Le bonheur parfait
Et les chansons d'amour
I love you toujours
Je peux les chanter

Tous les mauvais jours
Les voies sans retour
Je les oublierai
Tous les mots d'amour
Le soleil autour
Les ont effacés

6 I'LL BREAK MY CHAINS

Lyrics and music : Emmanuelle Samama

I want to break my chains
Start a new game
All over again
Just keep fifty cents
And walk straight ahead

I'll break my chains
Start all over again
Keep an eye on the end
A new blood in my veins

I want to burn my pains
To get rid of my old brain
And relearn again
Take a new chance
Start all over again

I'll break my chains
Start all over again
Keep an eye on the end
A new blood in my veins
No fear, no gain
Nothing in my hands
Just fifty cents
To start all over again

I want to break my chains
Start a new game
All over again
Just keep fifty cents
And walk straight ahead

Briser les chaînes
Rien qui retienne
Oublier la peine
Et partir quand même

I'll break my chains
Start all over again
Keep an eye on the end
A new blood in my veins
No fear, no gain
Nothing in my hands
Take a new chance
Start all over again

7 BATTLEFIELD

Lyrics and music : Emmanuelle Samama

In the name of God in the shadow of fear
I have seen the old men betraying their peers
And their land was burning, the sky disappeared
Everyone was crying till they had no more tears

I will return to my dearest old fields
Lands of return I can always rest here
I will return to my dearest old fields
Lands of return I can always rest here

I will see the morning light
If I can hear you through the dark
Yes I will see the morning light
If I can see you through the night

10 HOLD ON

Lyrics and music : Emmanuelle Samama

When your road has been too lonely
When your morning was too grey
And when you lost the one and only
Love you ever had

When you feel so sad so sorry
When you feel so lost and empty
When you lost the one and only
Chance you ever had

Hold on just hold on
There'll be a new dawn

12 LIFE IS A GIFT

Lyrics and music : Emmanuelle Samama

Life is a gift
Just open the box
You can try to exist
You can't turn back the clocks
Get out make a shift
Get rid of the locks

Life is a gift
Just open the box
You can try to resist
Resist or get lost
Get out get a kiss
And take off your socks
Barefoot on the grass
No need to be swift
Slow down stop the clocks
Don't stay to the drift
Get out of the box

I'll sing a new song
You know you're not alone

I'll never let you down never let you go
Now I'm back in town and I want you to know
I'll be by your side wherever you'll go
No more lonely night no more lonely road

I'll never let you down never let you go
Now I'm back in town and I want you to know
I'll be by your side wherever you'll go
No more lonely night no more lonely road

14 CANTO PER TE

Parole e musica : Emmanuelle Samama

Io canto per te
Io canto per noi
Per ricordare il nostro amore

Quando si pensa que nostro amore
Non può durare lo credo nell'amore

E se si canta con me
Se si pensa anche
Se si vede anche
L'amore è per noi
Se si viene con me
Allora ci sarà
Solo l'amore sempre
Sempre sempre per te

Io canto per te
Io canto per noi
Il piacere di amare è il nostro amore
Al se si pensa un po' di me
Saprete que io ti amero per sempre

E se si canta con me
Se si pensa anche
Se si vede anche
L'amore è per noi
Se si viene con me
Allora ci sarà
Solo l'amore sempre
Sempre sempre per te

15 BLUE GREEN AND GREY

Lyrics and music : Emmanuelle Samama

While I sailed across the seas, across the oceans away
From my country my love and my land
While I sailed across the sea I remember you prayed
And my land was still blue green and grey

I can see the light, and my home away
Even in the dark I can hear you pray
I can hold you tight through that storm away
For I see your light it is blue green and grey

Then my boat sailed alone I knew it knows the way
Through the storm through the waves and the rain
I was sailing back home I could see you away
And my land was still blue green and grey

I can see your light in my dreams you stayed
Every single night every single day
I will hold you tight and you'll have to stay
With me all the night on this land blue green and grey

I can see your light, and my home away
Even in the dark I can hear you pray

While I sailed across the sea across the oceans away
From my country my love and my land
While I sailed across the sea I remember you prayed
And our land was still blue green and grey

I can see the light, and my home away
Even in the dark I can hear you pray
I can hold you tight through that storm away
For I see your light it is blue green and grey

I can see your light in my dreams you stayed
Every single night every single day
I will hold you tight and you'll have to stay
With me all the night with me all the day
